UNION DEMOCRATIC PLATFORM.

ADOPTED IN STATE CONVENTION JANUARY, 8, 1862. WHEREAS. The Democratic party having, from the date of its organization, been in favor of the maintenance of the Union and the preservation o tion of the country the deplorable effects of a Brevet Second Lieutenant 45 105 50 departure from its time-honored and conservative principles, and the triumph of sectionalism; and 10 50 firmly believing that the Union and the Constitution can be preserved alone by the restoration of dition to pay, etc., of Lieutenant 10 26 00 that party to power, we invite all true Union men In the above we have not inserted the frac- throughout the land to unite with us in sustaining tional parts of dollars, for convenience sake, in its organization and carrying out its principles

Resolved, 1. That we reaffirm and endorse the political principles that from time to time have been put forth by the National Conventions of the Democratic party.

2. That we are unalterably attached to the Constitution, by which the Union of these States was formed and established; and that a faithful observance of its principles can alone continue on the existence of the Union, and the permanent

That the present civil war has mainly re-- 00 sulted from the long continued, unwise, and fa-17 00 natical agitation, in the North, of the question of 14 00 domestic slavery, the consequent organization of 13 00 a geographical party, guided by the sectional ____ 30 platforms adopted at Buffalo, Pittsburgh, Phila-15 00 delphia, and Chicago, and the development there-17 00 by of sectional hate and jealousy, producing (as 13 00 had long been foreseen and predicted by us) its 6 00 counterpart in the South of secession, disunion, Females nurses 40 cents per day and one ra- and armed resistance to the General Government, and terminating in a bloody strife between those Paymaster's Clerks \$700 per annum, and 75 who should have been forever bound together by fraternal bonds, thus bringing upon the whole country a calamity which we are now to meet as In addition to the pay as above stated, one ra- loyal citizens, striving for the adoption of that

If a soldier should become disabled in dispute between the North and the South, and a pension, or he may, if he prefer it, obtain admission into the Military Asylum, which will bearty co-operation on their part in all constitutional and legal measures to procure a return of the more Southern States to their allegiance, the To the above pay for private soldiers must be Republican party assumed a fearful responsiadded the additional \$2 a month to be paid du- bility, and acted in total disregard of the best in-

The bounty our internal dissensions before hostilities had actually commenced, that the Administration has recently exhibited to avoid a war with our ancient enemy, Great Britain, we confidently be lieve that peace and harmony would now reign throughout all our borders.

CLEANING AND DYEING 6. That the maintenance of the Union upon the principles of the Federal Constitution should be the controlling object of all who profess loy alty to the Government-and in our judgment this purpose can only be accomplished, by the ascendency of a Union party in the Southern States, which shall, by a counter revolution, displace those who control and direct the present rebellion. That no effort to create or sustain such At this old and well-known establishment, the ladies a party can be successful which is not based upon a definite settlement of the questions at issue between the two sections, and we therefore demand that some such settlement be made by additional constitutional guaranty, either initiated by act of Congress or through the medium of a National

> Convention. 7. That the Republican party has fully demon-strated its inability to conduct the Government through its present difficulties.

> 8. That we are utterly opposed to the twin heresies, Northern sectionalism and Southern secession, as inimical to the Constitution; and that freemen, as they value the boon of civil liberty and the peace of the country, should frown 9. That in this national emergency the Democ-

racy of Indiana, banishing all feeling of passion and resentment, will recollect only their duty to the whole country; that this war should not be waged in the spirit of conquest or subjugation, but to defend and maintain the supremacy of the Constitution, and to preserve the Union with all the dignity, equality and rights of the several States unimpaired; and that as soon as these objects are accomplished the war ought to cease.

10. That we will sustain, with all our energies a war for the maintenance of the Constitution, and of the integrity of the Union under the Constitution; but we are opposed to a war for the emanci pation of the negroes, or the subjugation of the

Southern States. 11. That the purposes avowed and advocated by the Northern disunionists, to liberate and arm "It is always ready; this commends it to everybody."- the negro slaves, is unconstitutional, insulting to loyal citizens, a disgrace to the age, is calculated "We have tried it, and find it as useful in our houses as water."— Wilke's Spirit of the Times. to retard the suppression of the rebellion and meets our unqualified condemnation.

12. That the total disregard of the writ of ha beas corpus by the authorities over us, and the seizure and imprisonment of the citizens of loyal VERY LIBERAL REDUCTIONS TO States where the judiciary is in full operation, without warrant of law and without assigning any cause or giving to the party arrested any opportunity of defense, are flagrant violations of the Constitution and most alarming acts of usurnation of power, which should receive the stern rebuke of every lover of his country and of every man who prizes the security and blessings of life, liberty and

13. That liberty of speech and of the press are guaranteed to the people by the Constitution, and none but a usurper would deprive them of these rights; they are inestimable to the citizen and formidable to tyrants only. And the attempts which have been made since our present unfortunate troubles, to muzzle the press and stifle free discussion, are exercises of despotic power against which freedom revolts and which can not be tolerated without converting freemen into slaves.

14. That the seizure of Slidell and Mason, on board a neutral vessel, on the high seas, was either in accordance with international law, and so legal; or else in violation of such law, and so illegal. If the former, we lament that our nation has been humiliated by their surrender, under a threat; if the latter, it was the duty of the Administration at once to have disavowed the act of their officer, and instead of incarcerating the captives in Fort Warren, to have immediately repaired the wrong by placing them, as far as practicable, in the same condition in which that officer had found them. In either event, the action of the Administration was vacillating and cowardly, and degrading to the dignity of a great na-

15. That the action of the Republican party, and provided with everything essential to their comfort as manifested in the partisan character of all appointments of the Administration to civil office; and, in holding party caucuses by the Republican None but able-bodied single men, between the ages of members of Congress for the purpose of impressing upon the legislative action of that body the peculiar dogmas of that party, have demonstrated that their professions of "sacrificing party platforms, and party organizations, upon the altar of their country," are but so many hypocritical and false pretences by which they hope to dupe the unwary into their support; and we warn all loyal persons, as they love their country, not to be deceived thereby.

16. That the disclosures made by the investigating committee in Congress of the enormous frauds that have stalked into the army and navy departments, implicating the heads of those departments in a connivance at, if not an actual participation in a system of corruption, and in which our brave soldiers have been detrauded of their proper supplies, and our Government threat-ened with bankruptcy, demands a thorough investigation into all our expenditures, both State and National, and that a speedy and marked example be made of all such "birds of prey," who, taking advantage of the necessities of our country, have fed and fattened upon public plunder.

Resolved. That the meritorious conduct of the Indiana troops, in every battle field where victory has perched upon the national banner, has filled the people of this State with the highest gratitude to her gallant sons, and that we send our best wishes to officers and men, dispersed throughout the country, and the heartfelt greetings of every Democrat for their further brilliant achievements in the coming contests for the maintenance of the Constitution and the Union.
